

Perspectives Therapy Services

**NOW
HIRING**

FULL-TIME THERAPISTS
IN LANSING, FENTON,
AND BRIGHTON

Perspectives Therapy Services is seeking **enthusiastic, compassionate, and highly-skilled** mental health therapists to join our clinical team.

The key to our success is our culture: we thrive on kindness, gratitude, and connection. As a member of our team, you will feel valued!

We offer:

- A friendly intake department to schedule clients that match your clinical preferences and availability
- A collaborative team to share ideas, insights, and validation
- An electronic health record system to assist in quick, thorough charting
- An internal billing department to handle claims on your clients' behalf
- HIPAA-secure external communication technologies for client contact
- Employee status (not a 1099/independent contractor), so taxes are covered, and you're eligible for a variety of great benefits, including medical, dental, vision, vacation and sick time, worker's compensation, paid CEU opportunities, and retirement savings with employer match!

TO APPLY

Email your resume and a copy of your professional license to trooney@perspectivestherapyservices.com. Type **"Mental Health Matters to Me"** as the subject to really grab our attention!
