

# Perspectives Therapy Services

## NOW HIRING

FULL-TIME THERAPISTS IN  
LANSING, FENTON, HIGHLAND,  
NEW HUDSON, & BRIGHTON

Perspectives Therapy Services is seeking **enthusiastic, compassionate,** and **highly-skilled** mental health therapists to join our clinical team.

The key to our success is our culture: we thrive on kindness, gratitude, and connection. As a member of our team, you will feel valued!

### We offer:

- Friendly welcome coordinators to screen and schedule ideal clients for you based on your preferences and special interests
- Employer-funded continuing education opportunities, including EMDR and Brainspotting certifications
- Supportive and collegial culture with plenty of availability for case consultations, team meetings, and clinical supervision (if required for limited licensed professionals)
- An electronic health record system to assist in quick, thorough charting
- An internal billing department to handle claims on your clients' behalf
- HIPAA-secure external communication technologies for client contact
- Employee status (not a 1099/independent contractor), so taxes are covered, and you're eligible for a variety of **great benefits**, including:
  - **Medical, dental, and vision insurance (eligible first day of employment)**
  - **40 hours paid time off (PTO)**
  - **Retirement savings with employer match**
  - **Professional liability insurance**

### TO APPLY:

Email your resume and a copy of your professional license to [trule@perspectivestherapyservices.com](mailto:trule@perspectivestherapyservices.com). Type "**Mental Health Matters to Me**" as the subject to really grab our attention!
